General principles when applying the policy

Purpose

The purpose of this policy is to promote very positive behaviours and relationships with a view to:

- Drawing on our core ACE approach around character values and metacognition (self-awareness and self-reflection)
- promoting, among pupils, relational awareness of themselves and others
- self-discipline and an understanding of the need for rules
- encouraging excellent behaviour and respect for others on the part of pupils and, in particular, preventing all forms of bullying among pupils,
- all behaviour is communication and we need to be diagnostic in our quest to secure excellent behaviour
- the most effective way of securing excellent behaviour comes as a result of trusting, respecting and connected relationships
- Relationships build our self-esteem and develop our sense of belonging. We aim in this policy to create a simple and effective system and recognise the importance of our work around Character education and metacognition
- Restorative practice, supports positive interactions among all. Using affective language, to remain non-judgemental and encourages everyone to speak using restorative questions and restorative conversations.
- Best practice is embedded to promote growth, provide opportunities to the children to reflect and develop skills including, communication, confidence, resilience and independence.
- This policy is a working document which will develop organically overtime via input from pupil voice, staff voice and community engagement
- We work in partnership with parents and carers, always seeking to understand the causes of challenging behaviour
- More than very minor disciplinary measures (such as basic reprimands/warnings) should also be recorded on CPOMs

Aims of this Policy

As part of our ACE approach to promoting positive behaviours, we believe that teaching children to regulate their own behaviour MUST start with pursuing positive relationships. We believe this is a more constructive approach than a system of sanctions and punishments. We also believe that our ongoing work around character will develop our pupil's ability to develop those mutually respecting relationships. We aim to focus on solutions rather than problems.

Our ACE approach to Positive Behaviour follows that of the Church of England Education Office, in that it seeks to be faith-sensitive and inclusive. It is under-pinned by Our School Vision of "Spurring each other on with the courage to make positive difference to ourselves and others"" and ensures that all of school life incorporates the values of the Christian Faith. These values are central to all that we do and determine how we will implement all policies and procedures. We want to ensure that through our gateways of Citizenship, Leadership, Expression, Exploration and Flourishing, all pupils and adults are shown how to be Compassionate, Forgiving, Determined and Honest individuals, who act with integrity and responsibility. By starting with our vision, we aim to ensure that all members of our school community understand our expectations, our practise and the ways in which we will implement policy. This policy aims to:

- Provide a **consistent approach** to behaviour management and **secure very positive relationships for all**
- **Define** what we consider to be unacceptable behaviour, including bullying
- Outline **how pupils are expected to behave and relate** to others
- Summarise the **roles and responsibilities** of different people in the school community with regards to behaviour management
- Outline our system of **incentives and consequences**

Legislation and statutory requirements

This policy is based on the following key documents:

- Paul Dix 'When the Adults change, everything changes'
- [On ACE curriculum document including our outcomes for all pupils](#)
- [Behaviour and discipline in schools](#)
- [The Equality Act 2010](#)
- [Use of reasonable force in schools](#)
- [Supporting pupils with medical conditions at school](#)

This policy is linked to our mobile phone policy, found on our school websites. This policy highlights the use of mobile phones across our Trust.

Children bringing mobiles phones into school, are requested to hand these in on arrival at school. The phone will be returned to the child at the end of the school day. Children are not allowed to use mobile phones in school.

It is also based on the [special educational needs and disability \(SEND\) code of practice](#).

In addition, this policy is based on:

- Schedule 1 of the [Education \(Independent School Standards\) Regulations 2014](#); paragraph 7 outlines a school's duty to safeguard and promote the welfare of children, paragraph 9 requires the school to have a written behaviour policy and paragraph 10 requires the school to have an anti-bullying strategy
- [DfE guidance](#) explaining that academies should publish their behaviour policy and anti-bullying strategy online This policy complies with our funding agreement and articles of association.

Roles and responsibilities

The Local Committee

The Local Committee is responsible for monitoring this Positive behaviour policy's effectiveness and holding the headteacher to account for its implementation.

The headteacher

The Headteacher, in consultation with the Trust's Head of Safeguarding and Inclusion, is responsible for reviewing and approving this behaviour policy.

The headteacher will ensure that the school environment encourages positive behaviour and that staff deal effectively with poor behaviour, and will monitor how staff implement this policy to ensure rewards and consequences are applied consistently.

Staff

Staff are responsible for:

- Implementing the behaviour policy consistently
- Modelling positive behaviour
- Providing a personalised approach to the specific behavioural needs of particular pupils
 - Recording behaviour incidents (see appendix 3 for a behaviour log)

The senior leadership team will support staff in responding to behaviour incidents.

Parents and Carers

Parents are expected to:

- Support their child in adhering to this policy and the pupil code of conduct (see below)
- Inform the school of any changes in circumstances that may affect their child's behaviour
- Discuss any behavioural concerns with the class teacher promptly

Our ACE expectations

Pupils are expected to:

- Put into practise our gateway values and exemplify these values in all that they do
- Behave in a compassionate and self-controlled way
- Show good manners to others and an increasing drive to take responsibility for their own actions
- In class, make it possible for all pupils to learn independently and collaboratively
- Move safely and responsibly around the school
- Treat the school buildings and school property with care and respect
- Wear the school uniform and be proud to do so
- Accept consequences when given and reflect on behaviour during restorative sessions
- To increasingly become aware of their own behaviour and develop strategies that will have long term benefits for themselves and others

Incentives, rewards and consequences

Our ACE schools share the same principles around the securing of excellent behaviours and relationships. However, our approaches are different. We use a variety of approaches to:

- Raise self-esteem and confidence
- Recognise and reward good and improving behaviour
- Reinforce and maintain good behaviour
- Motivate students to engage and participate
- Modify behaviour
- Incentivise achievement
- Develop relationships and pro-social behaviours and problem-solving skills
- Develop resilience and independence

At the end of this policy you will find details of the approach we use at Galmpton. Please see:

Appendix 1 – Securing excellent behaviour at Galmpton

Appendix 2 – When behaviour becomes challenging -our escalation plan

Appendix 3 – Rewards and Incentives

Safer Handling

On very rare occasions and where all other approaches have been utilised, staff may use reasonable force to restrain a pupil to prevent them:

- Causing disorder
- Hurting themselves or others
- Damaging property
- Being unsafe/ putting themselves or others in danger

Incidents of physical restraint must:

- **Always be used as a last resort**
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment
- Be recorded and reported to parents (see appendix 3 for a behaviour log)

Monitoring arrangements

This behaviour policy will be reviewed by the headteacher and Local Committee every 2 years. At each review, the policy will be approved by directors.

Appendix 2 - When behaviour becomes challenging- Our escalation plan

We use an eight-step approach to manage and modify behaviour that does not reflect our five golden rules:

Steps		Action
1	Reminder	A reminder of the school's behaviour ladder, making reference/ pointing to the display. Clearly state the behaviours you wish to see. If the behaviour continues move to step 2. <i>If the behaviours displayed are those deemed as requiring an 'Immediate response' (see below), move directly to step 3, 'Time with'.</i>
2	Redirection & Caution	Make a change of place, activity, task or person. A clear verbal caution (delivered discreetly wherever possible), making the learner aware of the behaviour that has warranted redirection. Openly outline the consequences if they continue but also make it clear as to how they can turn the situation around. If the behaviour continues move to step 3.
3	Time with (adult who has been dealing with the behaviour escalation)	Speak to the learner privately for 5 minutes during their break or lunch time. This must be logged in the 'time with' book. Be curious and diagnostic in the approach, validating the child's experience but also be clear on expectations and ways in which their behaviour can be modified. If the behaviour continues move to step 4.
4	Phone call (class teacher)	Should the learner persist with the unwanted behaviour/ if the same pupil has had 'time with' 3 or more times in a week, a phone call to parents/carers is made so that they are aware of the behaviours being seen at school. Where relevant, the Headteacher may also be involved at this stage. If the behaviour continues move to step 5.
5	Formal meeting with class teacher	A face to face meeting is called with the pupil, parents/ carers and teacher to discuss strategies for transforming the behaviour. Impact will be monitored for at least two weeks. If the behaviour continues move to step 6. <i>A meeting may also be called for a serious breach of the school rules as detailed in the 'Immediate response' section below. A member of SLT may be involved in this meeting where necessary.</i>
6	Behaviour support plan introduced	Another meeting with the parents/ carers is held promptly and a behaviour support plan implemented. The relevant KS Leader will be involved in this meeting and the SENCo will have been consulted. Where appropriate the Headteacher may also be involved in this meeting.
7	Internal exclusion	An internal exclusion is issued and carried out by the Headteacher as a consequence for a serious or persistent breach in behavioural expectations such as those outlined in the above 'Immediate response' section below.
8	Permanent exclusion	The Head of School excludes a pupil permanently. Before taking such a step the Head of school will have taken advice from: ???
<u>Immediate response situations:</u>		When certain serious misbehaviour has occurred towards pupils and adults, an immediate response is necessary, such as: - <ul style="list-style-type: none"> • Bullying • Derogatory behaviour such as racist, homophobic or non-inclusive • Bad language directed at another person • Defiance • Damaging property • Hurting others with deliberate intent In these cases, the incident will immediately be reported to SLT and recorded/logged, and an appropriate action taken. A phone call home will automatically take place and in some instances, a face to face meeting may be called.

Appendix 3 - Rewards, Incentives and Privileges

Although we recognise that the use of over praising can be counterproductive we do want to accentuate positive behaviour and develop excellent relationships with all our pupils. Positive behaviour and reinforcement is emphasised at all times. Praise is used to;

- Reinforce the rules as children learn more quickly when given positive feedback
- Reinforce and communicate our 5 'R' golden rules
- Draw other children's attention to appropriate behaviour
- Give emphasis to the wanted behaviour, rather than the unwanted
- Encourage self-esteem and an ethos of friendly acceptance
- To encourage children to make choices so that they can see that good behaviour is rewarded.

<p>Whole School Rewards</p>	<ul style="list-style-type: none"> • Marble jar. This is used in Years 1-6 and develops class team work and collaboration. Pupils agree with their teacher what the reward will be when the jar is full. • Headteachers award – 2 children are selected each week to receive a HT reward. This may be for excellent learning, behaviour or for the effort or progress made. Once a pupil receives 3 HT certificates they can claim a headteachers pencil! • Verbal Praise and stickers. • The golden lunchtime table-each half term 14 children are chosen to sit on a special table for lunch. They are their lunches and sit with a local 'celebrity'. They have a small prize to reward their efforts and their photo is put in the half termly newsletter.
<p>Class Rewards and Privileges</p>	<p>At the beginning of the Year, children agree what they will be rewarded for and what this will look like. When marble jars are full privileges may include:</p> <ul style="list-style-type: none"> • A class sleepover (film and pyjamas afternoon) • A beach trip • Extra play time • Golden time -children choose an activity of their choice • Non uniform day • The Learning ladder (as used in our EYFS classroom) • Hot chocolate/tea with the teacher • Additional responsibilities eg Y6 leadership roles and class register monitors
