Reflections on the week

We have finished off our learning journey around homelessness and we have all become a lot more compassionate, empathetic and caring as a result. We have all written about the many ways we can help other and how we are going to try and make a difference. Please enjoy reading our information texts.

The Week ahead

I hope you all have a wonderful Christmas Holiday and have a good rest ready for our next term of learning! I look forward to seeing you all when we come back and hope we can all improve our attendance. Please remember we will be swimming so bring your swimming gear! *Merry Christmas Everyone!*

As the term ends we have some exciting news to share. Annie Cox-Doyle, our SENDCo Assist, will be leaving us for further exciting opportunities. Annie has supported us with passion and commitment this term and we wish her all the best in the new year. The Trust continues to invest heavily in the school, and the 2018-2019 outcomes for all schools have now been officially published. We are thrilled that St John's have achieved their highest ever outcomes for Year 6, with 73% of children achieving at expected or higher. You can compare results across schools in the area on the DfE website www.compare-school-performance.service.gov.uk
