Year 1 -

<https://whiterosemaths.com/homelearning/year-1/>

If possible, please print out the sheets, complete and stick in your Maths book (now available from school). You could also create a folder for your child to keep all their work in or take a photo and upload to Tapestry.

If you have an iphone this is a good way of sharing work:

- 1) open notes
- 2) create a new note
- 3) press the camera icon
- 4) click scan documents
- 5) point camera at document (it comes up in yellow)
- 6) take photo/scan
- 7) click keep scan
- 8) click save
- 8) scan appears on note page
- 9) write notes about the scan - share info with teacher
- 10) when finished - click the arrow (export icon top right)
- 11) click mail to email to teacher

Other activities

- Counting - buttons, straws, sweets, apples.....anything!

Reception - Make 2 groups - which has more/ less? Add the groups together - can you record your number sentences?

Year 1 - Can you group the objects into tens and ones?
