

Year 2 Maths - Week beginning Tuesday 14th April 2020

Unit of work: Fractions

This week's maths learning can be accessed here:

<https://whiterosemaths.com/homelearning/year-2/>

along with support videos and answer sheets. We are working on **Week 2**.

Lesson 1 – Tuesday

Lesson 2 – Wednesday

Lesson 3 – Thursday

Lesson 4 – Friday

If you can complete lesson 5 at another time this week that would be amazing.

I have set a new My Maths task following on from the last one (simple fractions). Please try and have a go at this as not many children are at the moment and it's a great supporting resource.

Also, please try and practise times tables every day using Times Tables Rockstars.

If you'd like to share your work with me please email a photo, scan or word.doc to my email address by the end of the week. I will do my best to respond as quickly as possible.
