

Year 6 Handwriting and Spellings

Week beginning 14th April 2020

Here are this week's spelling lists.

They have been set on Spelling Shed for you to practise too.

Everyone should learn the first set and most people should learn the second set.

For handwriting practice, write out each set of spellings into your book. Take your time to start with, making sure that you write neatly and that you are using the correct joins.

Once you have written each word successfully, write them out one more time, speeding up a little.

LO To practise spellings and handwriting

Set 1

race ice cell city fancy

lace space circle circus rice

Set 2
