

# Quiet Parenthesis

I can use brackets to show parenthesis.

Let's focus on those quiet parentheses. You use them to surround something that seems a bit out of place in the sentence—an aside, an extra detail, or an intrusion.

You can add the information into the brackets to change the impact of the sentence.

**Sentence without brackets** – That morning he dressed in a grey tracksuit and trainers.

**Aside** - That morning (which was to change his life forever) he dressed in a tracksuit and trainers.

**Extra detail** - That morning he dressed in tracksuit (new, grey) and trainers.

**An authorial intrusion** – That morning he dressed in a tracksuit (he was as fit as a fiddle) and trainers.

Can you try some of these for the sentences below?

That afternoon the boy walked slowly home.

---

---

A woman looked at her watch.

---

---

He gazed out of the window.
